RECEIVED

The Notice of Abandonment refers to applicant's failure to respond to the Official letter mailed July 1, 1999. True, the applicant did not specifically refer to the July 1, 1999 letter, but held it to be incorporated into the Final Rejection of April 13, 1999 to which a response was filed October 12, 1999. Accordingly, it is submitted that applicant has met all conditions under the law and the application should be reinstated. If the Examiner still feels to the contrary, it is respectfully requested that a detailed explanation be given for the abandonment.

If any documents are missing with respect to this matter, applicant will be happy to supply copies upon request.

Respectfully submitted,

Richard C. Harris
